* The figure in the "To-date Budget Giving as a % of Annual Commitment" column is 1/12th of the commitment times the month of the year. However, this goal has a one-month "lag time" built into it, since UMC funds are normally submitted to the World Ministries Center at the beginning of the month following the month that they had been received at the Conference office.

**The negative figure under "Non-Budget Giving" is a result of reclassifying contributions as UMC giving.
