

One nation under God?

Here are some requests you can use to pray for the Supreme Court petition (beginning March 24, 2004) on taking "one nation under God" out of the Pledge of Allegiance:

- Pray that the eight Supreme Court justices hearing the Pledge of Allegiance case will understand the intent of our founding fathers and the overwhelming opinion of the American public on the issue.
- Pray for Justice Antonin Scalia as he faces pressure to remove himself from all cases involving religion because of his convictions.
- Pray also for bills in both the Senate and the House of Representatives that would strip federal courts from ruling on matters involving the Pledge of Allegiance, the national motto and the Ten Commandments.
- Pray for Michael Newdow, an atheist who originally brought this case against the Elk Grove school district, and his daughter.
- Most of all, pray fervently that we remain "one nation under God."
